Dec 19, 2017

Dear Old Field Resident:

As of Dec. 1, 2017, the Village of Old Field became a member of the Setauket Fire District. As such, the village's budget beginning this coming year will no longer include the cost of the contract we previously had with the Setauket Fire District (which recently was in excess of \$520,000 yearly). Instead, as a member of the fire district, your Town of Brookhaven tax bill will now include a line item tax to you for being a member of the fire district.

The village's forthcoming 2018-2019 budget will be almost one-half of what it most recently was, and your village tax bill will reflect this significant reduction accordingly.

The next Board of Trustees meeting that all residents are encouraged to attend will be on Jan. 9, 2018 at 7pm. A public hearing will be held to discuss and vote on the 2018-2019 budget. We will also be discussing a proposal to erect a monopole cellular structure in Kaltenborn Park. We hope to see you at this meeting.

Thank you,

Michael S. Levine
Mayor
