Date Issued: _____ **NYS Hunting License No.:** _____

Name: _____

Address: _____

Location of property where hunting will take place:

Owners Name: _____ **Owner Phone #** _____

Property Address: _____

Owners Signature: _____ **email** _____

1. Is the property owned by the applicant? Yes ☐ No ☐
2. If “No”, did the applicant provide written consent of the property owner? Yes ☐ No ☐
- a. This entitles the applicant to hunt on the property identified above with the consent of the property owner until the expiration date set forth above, unless the consent of the property owner is revoked prior thereto.
- b. This does not give the applicant approval to hunt on any property other than the property listed above.
- c. The applicant shall respect the rights of all property owners and shall not trespass upon private property for any reason, including for purposes of retrieving any game animal. If a deer is to be retrieved from a property other than where hunting permission has been granted, the hunter must get permission from the owner to enter the property.
- d. The applicant must maintain a valid New York State hunting license and comply with the applicable requirement of the New York State Department of Environmental Conservation at all times.
- e. Entrails from a harvested deer shall be placed at least 100 feet within the boundary of the property in which the permission has been granted and shielded from public view.
- f. This fully executed application and a valid DEC Hunting license must be registered with Village Hall and available upon request when engaged in hunting activity.
- g. The Village of Old Field shall not be liable for any injury or damage resulting from the applicant’s acceptance of this form.

I HEREBY AGREE TO ALL TERMS AND CONDITIONS AS STATED:
